

Going to Circus Camp

After the first day of camp, the schedule will be a little different. But I will still check in at the front desk, and bring my bag to the “stuff” room.

Welcome & Gathering

There will be some free time in the cafeteria where I can play with hula-hoops or juggling balls, or I can color a picture. There will be other kids playing, and some upbeat music.

Warm Ups and Announcements

Every day, all the campers will stand in a circle, and the teacher will lead us in warm-ups. We will begin to stretch and move a little. This will also be a time for announcements. If there is something new I need to know, the teachers will tell me.

First Class (Art, Dance, Comedy or Juggling)

I will attend the three classes that I selected. The schedule will be the same every day. I will be with a small group of kids who also chose the activities I like. The classes include art, dance, comedy acting and juggling.

Second Class

I will be in another small group for my second class.

Snack

After the second class, I will take a break and eat the snack that I brought with me. If the weather is nice, we will eat snack outside.

Third Class

After snack I will join another small group for my third class.

Big Group

Everyone will come together as group and the Camp Director will have a fun activity, or teach us part of the circus performance.

Lunch

At lunchtime, I will go to my bag and get my lunch. If the weather is nice, I will eat outside.

Quiet Time (Or Advanced Art for Older Campers)

After lunch, we will have quiet time. I can take a rest, read a book, play a game, or talk quietly. This is a good time to relax.

Older campers who have been at Circus Camp for several years will have the option to participate in Advanced Art during Quiet Time.

Big Group

After Quiet Time, we will have another Big Group activity.

Circus Act/Art Project/Acting Workshop

We will break up into smaller groups to work on our Circus Performance and Art Projects. This may include rehearsing in the gym or the cafeteria, or going to the art room.

Snack

In the afternoon I will have another 15 minute snack

Mini Session

Mini Session will be a time for me to learn something new.

Circus Act/ Art Project/Acting Workshop

In the late afternoon, I will have another opportunity to practice my Circus Act

Clean up and games

At the end of the day we spend a little time cleaning up. Then we play some games as a group.

Goodbye

My parents will arrive at 5:00 to pick me. I'll be back again tomorrow.
