

Going to Open Hand Theater Camp

When I arrive at Camp, I will sign in and meet Peter, Caitlin and Andrea. Then I will hang up my coat, and store my belongings in the locker area at the back of the theater.

Welcome & Gathering

There will be a relaxed time while we wait for everyone to arrive. I can hang out with other kids, or bring something to keep me busy.

Warm Ups and Announcements

Every day, all the campers will stand in a circle, and the teacher will lead us in warm-ups. We will begin to stretch and move a little. This will also be a time for announcements. If there is something new I need to know, the teachers will tell me.

First Class (Acting Group or Art Group)

I will attend 2 smaller classes each day - Acting Group and Art Group. It's ok if I'm not in my first choice right away, I will be in the other class after snack.

Snack

After the first class, I will take a break and eat the snack that I brought with me. This is a good time to talk with other campers, or just be quiet if I need a break

Second Class (Acting Group or Art Group)

After snack I will go to the class I did not have - Acting Group or Art Group

Big Group

Everyone will come together as group and the Camp Director will have a fun activity.

Lunch

At lunchtime, I will get my lunch from my bag and bring it to the main room to eat.

Quiet Time

As soon as I am done eating lunch, I will have quiet time. I can take a rest, read a book, play a game, or talk quietly. This is a good time to relax.

Big Group

After Quiet Time, we will have another Big Group activity. This might be a project where we make something together. Peter and Caitlin will give me directions each day.

1st Day: Read Script, then Acting and Art Project - 1

On the first day we will read the script as a group and learn more about the play. This is the first time that everyone will read the script.

During the rest of the week, we will break up into smaller groups to work on our art projects and our acting.

Snack

In the afternoon I will have another 15 minute snack

1st Day: Audition, then Acting and Art Project - 2

On the first day I will audition. This will give me a chance to read part of the play for Peter. It's fun to try something new.

During the rest of the week, after snack I will do the activity I haven't worked on yet - I will either audition or work on my art project.

Clean up and Pack up

At the end of the day we spend a little time cleaning up. I will pack all of my belongings in my bag and bring it to the lobby.

Mini Session

There will be a new fun group activity at the end of each day.

Games & Goodbye

We will play some games as a group. My parents will arrive at 5:00 to pick me. I'll be back again tomorrow.

On Monday night, Peter and Caitlin will decide which part everyone will have in the play. I will find out about my part on Tuesday morning. Each part is important - and a lot of fun. I will have all week to practice my part and make it my very own.
